ARABIAN HORSE EVENT

6th & 7th of June 2020

WelCome to the 8th Bruges Arabian Horse Event.

Equestrian sports and especially “The Arabian Horse” is becoming increasingly more popular. Therefore BAHE is targeting to a wider audience.

Bruges is considered as one of Europe’s most beautiful historical towns and therefore a tourist attraction. The horse carriages in the city betray the cities great love for horses and will take you through time, back to the roots where men’s only transport was “the horse”.

With the efforts of many people and the important support
of the city of Bruges, this event needs to be more than ever a party for (future) arabian horse lovers.

Bruges Arabian Horse Event, an encounter of humans and animals, sports and excitement, audience, sponsor and attendee
