### Rules for Affiliation of Shows

- **Date of Registration**

The “Date of Registration” is defined as the date at which the relevant national registry declares that the horse has been accepted for registration. National Registries will be responsible for confirming the date of registration. Entries must either present the relevant registration certificate or enclose, with the entry form, a letter by the registrar confirming that registration will be completed before the first day of the show.

- **General Classes**

Classes of the following categories are recognized by EAHSC:

- foals (males and females, or combined; see also “Foal Classes” below),
- colts (junior males, 1-3 years old),
- fillies (junior females, 1-3 years old),
- stallions (senior males, 4 years+),
- mares (senior females, 4 years +),
- geldings (junior (1-3 years old) and senior (4 years+), or combined (1year+)).

The Show Organizers may arrange the age groups within these categories to best suit their entries and to avoid any imbalance in the size of the classes.

The maximum number of horses shown shall not exceed 100 per day.

No horse under 6 months of age may be shown without its Dam.

No pregnant mare will be shown more than 40 weeks after the last date of covering. It is recommended to bring a valid breeding certificate to the show. The Handler must produce a valid breeding certificate upon request of the DC. The DC or Judges may ask a veterinarian for rectal examination.

All open classes, with the exception of foals, are qualifiers for A and Title shows.

#### **Foal Classes**

In those shows where foal classes are held:

- a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
- b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
- c) Foals must have a minimum age of four weeks at the date of the show, and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six months may not be shown.
- d) The use of metal halters and halters with metal chains is forbidden.
- e) A comparative judging system is recommended.
- f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
- g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

#### **Foals - for identification purposes:**

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.

Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

#### **Championship Titles**

There will be three prize winners in each category - Junior Males, Junior Females, Senior Males, Senior Females and Geldings (junior and senior or combined):

*Champion Gold Medal, Silver Medal, Bronze Medal.*

**European Arab Horse Show Commission**  
**Blue Book 2021**  
**Rules for Affiliation of Shows**

If there are sufficient yearling entries and the Show Organizer wishes to hold separate Yearling male and Yearling female Championships, there will be three prize winners in each of these categories

The Rules for Championships must be clearly explained in the Schedule and the Show catalogue.

**Top Five System**

This system is optional for any show, provided there are a sufficient number of horses present:

The top 50 % of each class minus one, but not more than 5 horses, qualify.

e.g.: 5-6 starters → places 1 - 2 qualify  
7-8 starters → places 1 - 3 qualify  
9-10 starters → places 1 - 4 qualify  
11 and more starters → places 1 - 5 qualify

All qualified horses of a category - Yearling Males, Yearling Females (where appropriate), Junior Males, Junior Females, Senior Males, Senior Females or Geldings - come into the ring. All first placed horses stand in the front row, all second placed horses in the second row, all other horses (places 3.-5.) in the third row.

The judges select their Champion Gold medal, Silver and Bronze medal winners according to the rules for Championships. The judges will then select two more from all the remaining horses which together with the three medal winners form the Top Five.

The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC).

Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible.

These Rules will be interpreted when necessary under the provisions of the laws of Switzerland.

Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".

2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. ### **Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'**

**Rules for Conduct of Shows**

12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating.

f) Any actual or apparent conflict of interest that arises before or during the show shall be immediately reported to the DC. The DC shall consult all parties involved and use all sources to their disposal to decide as necessary. The DC must include all information in their report and forward to ECAHO after the show. At no time may the organizer take any decision that is in conflict with the jurisdiction of ECAHO and its' rules and regulations.

g) Any actual or apparent conflict of interest that arises after the show shall be reported immediately to ECAHO for consideration by the SDC.

13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that:

ii) if the official with the conflict of interests is a DC member, this DC member will not check the horses concerned either in the stables before the show or in the collecting ring.

If the DC member is an employee of the Show Organizer, this DC member must not write the DC Report. Another member of the DC who has no connection to the Show Organizers will write the Report.

Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking.

**Soundness**

27. Exhibits that appear to be lame may be assessed and placed by the judges. Judges may exclude any horse so lame that assessment will inflict pain.

**Rules for adapting score sheets**

28. Judges may record their scores using paper score sheets or electronic devices. If paper score sheets are used, organizers are expected to provide scoresheets with pre-printed score-options which judges can circle to indicate their scores. Judges are not allowed to write scores.  
Electronic devices, for example tablet systems, may be used but can be subject to audit by ECAHO appointed experts to confirm proper functionality and logging at any time.

Regardless of the scoring system used, once the judge has submitted a score, either by handing off a scoresheet or by sending the data from an electronic device, the Judge cannot amend or change the score. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

The judges will not discuss the horses.

2. The Silver medal winner will be selected in the same way as the Gold medallist from all other horses that have qualified for the Championship.
3. The Bronze medal winner will be selected using the same system used to select the Silver medallist.

The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.

4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.
7. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony.

Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.
8. In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

## I. Addendum – Technical guidelines for all Shows

### I. ADDENDUM Technical guidelines for all Shows

#### **Introduction**

A complete description of the following topics should be presented by the committee of any proposed new show to the EAHSC for affiliation, together with the schedule. Information on the same topics must reach all exhibitors prior to the show with entry and parking cards if needed (this may be included with the Schedule).

#### **Access and parking**

Access to the show grounds should be clearly signed and from a certain distance, depending on the location of the show (open country or city). Ample parking space should be provided sufficiently close to the stabling area. Stewards must be appointed to regulate proper parking of horse vans.

**Stabling** The stables should be grouped in one (max. two) areas. The horses must be housed in box stalls (covered if out of doors), made of resistant material providing the best possible conditions of security of the minimum dimension of 2,8 m by 2,8 m and minimum height all around of 2,7 m, for all foreign entrants. Proper bedding should be available on the show ground free of cost. A notice will be posted to the effect that "Training of horses will not be permitted in the stable area between the hours of 20.00 hrs and 06.00 hrs".

#### **Feed and water**

Running water must be available at the stables as well as a feed store where oats and hay can be purchased at current prices.

#### **Show ring**

Must be of proper size, at least 1'200 square meters (with the longer side at least 60 metres), of square or rectangular shape and of the least slippery ground as possible. It must be fenced all around with one or two entry-exit gateways manipulated by stewards. The layout of the show grounds must be attractively decorated as suitable for an international event.

The jury should be placed with their backs to the main spectator area. The show staff and/or officials should stand at a distance behind the judges and communicate only when indispensable.

Sufficiently large covered stands should allow the spectators to be seated while attending the show. The public address system must be clearly audible from the grandstands, the ring, the paddock and the stables.

#### **Paddock (collecting ring)**

should be of sufficient dimensions to allow all the horses of the biggest class to wait safely.

It must be located close to the show ring in order to allow the horses to pass easily from one to the other without having to walk over a long distance. The passage from paddock to show ring must be kept free from the public.

The precise schedule of the day's classes must be marked on a large signboard at the entrance to the paddock.

Stewards must control both the entries and the exits to the paddock and the ring according to the proceedings of the show.

#### **Staff**

The number of staff members of an International Show will depend on the importance of the show, size of the grounds, number of entries foreseen and/or other technical considerations.

## VII. Addendum – Procedure of Affiliation

### VII. ADDENDUM

#### Procedure of Affiliation priorities of ECAHO Shows

##### Stage A preliminary calendar (until the 31<sup>st</sup> of January)

###### Title and A shows only

The Organizers of all Title and A shows shall declare their planned date and send their affiliation form and longlist of proposed judges for the following year before the 31<sup>st</sup> of January, so the dates can be discussed and confirmed during the SC meeting at the yearly AGM, usually held in February.

After completion of the **Stage A preliminary calendar** at the AGM, the Executive Secretary will publish it on the ECAHO website, visible for all show organizers. The dates of A and Title shows will be blocked for all other international shows on the same continent (European or non-European).

During the AGM weekend the EC will screen all the submitted longlists of proposed judges for Title- and A shows and will inform the organizers of approved and applicable duplicate judge requests. The Show organizers of Title- and A shows will be asked to negotiate their approved longlist of judges, preferably during the AGM weekend. The final or shortlists of judges may be announced once negotiations have resulted in mutual agreement between the organizers. Any changes to a shortlist requires renewed screening and approval by the EC.

##### Stage B preliminary calendar (1<sup>st</sup> of February – 30<sup>th</sup> of April)

###### B International shows only

After publication of the **Stage A preliminary calendar**, all International B Show organizers and organizers wishing to upgrade to International B Show requests can send their planned date and affiliation form to ECAHO until 30<sup>th</sup> April, respecting all blocked dates by higher level shows, so the dates can be discussed and confirmed during the next SC meeting, usually held in May.

After completion of **Stage B preliminary calendar** in May, the Executive Secretary will publish it on the ECAHO website, visible for all show organizers. The dates of Title and A shows will be blocked for all other international shows on the same continent (European or non-European) and the dates of B International shows will be blocked for all other international C and European shows and late affiliations of any level which may be in conflict in the opinion of the Show Commission.

If any International B Show is not affiliated by the 30<sup>th</sup> of April, it may be affiliated in **the late affiliation window of Stage D** *1<sup>st</sup> of September till 31<sup>st</sup> of October*

##### Stage C preliminary calendar (1<sup>st</sup> of May- 31<sup>st</sup> of August) B National, National Championships, C International, European and S shows only
